

WWU Outback Community Garden Application

Welcome to the Community Garden! Please fill out this application and sign the Liability Release form. There is no cost to apply or participate. By listing your contact information, you give us permission to contact you for official business only; information will not be made public.

Garden plots are assigned on a first-come, first-served basis and are available to WWU students, staff, faculty, administration, and to community members in Bellingham. For times when there is not a waitlist and plots are available, the plot assignment process typically takes 2—3 weeks. If no plots are available in the garden(s) you select, you will be put on a waitlist and notified when one becomes available.

Name:

Email address:

Cell phone number:

Text ok? Yes No

Are you a ___ WWU student(s) ___ WWU club ___ WWU faculty ___ WWU staff/ administration
 ___ retired WWU employee ___ non-Western community member
